Honorable Members of the Court

I am writing in response to the proposed rule for Montana attorneys, Rule 8.4 (g). I encourage you to reject this rule. While attempting to eliminate discrimination, in reality, it discriminates against those with an opposing conviction. This erodes the freedom of speech and religion fundamental to our Constitution. Given the principle of this rule as it pertains to individual freedom, I find it very concerning this is even being considered.

Respectfully,

Jolene Regier
